EDITOR'S LETTER

Where do we start? Maybe stunning cover girl Amy Green is the best place! She really does wear sexy lingerie like nobody else, but we've always preferred it when she takes it off. What about Ella Hughes making to long awaited debut in the magazine? It's crazy to think that she's been in twenty-nine other Paul Raymond titles and this is her first time in Mayfair! And now on to Adele Taylor. this girl is back, and hopefully for good. If you want to know about the rest of the girls you'll just have to start page flicking! Enjoy

Dear Mayfair,

My name is Sarah and I'm 18 with a slim figure and long blonde hair. My best friend, Lisa (who's also 18 with shoulder length brown hair), had been seeing her boyfriend, John, for a few weeks when he landed a promotion at his work. To celebrate, I joined Lisa and John on a night out. After a few hours at the bar, John was so pissed he could hardly walk and me and Lisa had to help him home. We got him to his bedroom, where he fell on the bed and was asleep in seconds.

"Should we take his clothes off?" I giggled.

"You want to see him naked?" smiled Lisa. The booze had loosened our inhibitions and we quickly undressed him.

"Now his pants," I grinned.

"You filthy slut," replied Lisa.

"You want a look at his cock!"

"What if he wakes up?" I whispered. "Maybe he'll go wild and fuck us and our pussies till they're sore." "I wouldn't mind that," smirked Lisa, and seconds later we had tugged off his boxer shorts and I was admiring his muscular body and his lovely, big cock. We got on either side of John's naked body and Lisa let her fingers stray down towards his sleeping prick.

"Let's wake his cock up," she said. "We can get him hard without waking him."

I watched wide-eyed as Lisa's fingers soon brought John's prick to full erection. Lisa stroked the swollen helmet of his rock hard dick and then put her head down and licked its tip. Then she opened her mouth and

> "Lisa and I cleaned his cock with our tongues and then we switched places, Lisa riding his meat as I had my pussy eaten. It was a sex session I will never forget."

swallowed John's monster cock deep into her throat. Lifting her head, she said, "Go on Sarah, suck him off," adding, "get your lips around that!" with a grin. She giggled nervously as I slithered my tongue up and down his glistening shaft and I licked at his prick as if it were a lollipop. Soon I had all of his thick shaft in my mouth as I greedily gobbled his tasty dick.

"Do you want it up you?" asked Lisa. I nodded eagerly and, while Lisa wanked his throbbing knob, I stripped off my top, skirt and knickers in seconds flat. As I straddled him, Lisa held his cock and guided it to the entrance of my pussy. I groaned as his cock penetrated my tight little hole until I was impaled on it to the hilt. "Make him come, Sarah," whispered Lisa sexily into my ear.

As I rode his dick, Lisa stripped naked and stood up on the bed with her juicy fanny just above my mouth. Lisa thrust her hot, wet cunt into my face and I began to lick her wet slit, flicking my tongue over her clit. As we revelled in orgasmic frenzy, I heard Lisa yell, "The dirty bastard! He's awake!"

"Oh Jesus, fuck!" I squealed.

"Don't stop girls!" John laughed as I bounced up and down on his dick. "Enjoy yourselves!" he added. Lisa sat astride John's face and wrapped her arms around me, kissing me and sucking on my tits as I pinched her nipples and John fucked her with his tongue. Lisa came loudly and

Dear Mayfair,

What a find you have on your hands with April Mae, I'm already looking forward to seeing her again. I mean, just take a look at that tasty pussy! And then I stumbled across her video on your wesbsite! Great job, I just hope that we get to see more of her. You should do fan days when we can come along and pay to watch the photo shoots and videos being shot, I'd happily skip a mortgage payment to see her in action. Not sure the wife would be though!

Iain, Scotland

Hi Iain, yes, your wife would not be impressed, firstly that you are enjoying other naked women, then that you want to pay to get up close and personal, and finally she might get a bit mad when your house gets repossessed! Sometimes it's enough to just enjoy the girls from a-far! But we'll ask April, maybe she wouldn't mind a bit of extra cash in her back pocket!

Dear Mayfair,

I never get bored of seeing Cara Brett in your magazines, thankfully it's only ever a month or two before she's at it again, getting her clothes off and revealing those huge tits of hers. I can't believe that there is a lucky guy out there that gets to play with them and stick their dick right up in between them. He's probably got a really big one too. Some men really do have all the luck. I'm not usually a fan of piercings, but there's something sexy about the one she has in her belly button, I wouldn't mind pulling out of her and coming all over it and her stomach!

Andy, Buckinghamshire

Dear Andy, It's not always about the size, trust us, we've had the discussion with the girls before, but some of them might take exception to you spraying your load where ever it takes your fancy!

Dear Mayfair,

During a recent stock-take in the small, upmarket shoe shop that I work in, I discovered Mark, my manager, hidden at the rear of the stockroom, sniffing and licking a pair of exquisite, red leather, stilettos.

I love teasing cock, so after getting Mark to strap the stilettos on my perfectly formed feet, I made him kneel down and stroke, kiss and lick every inch of my feet and my long, slender legs. As he did so, I slowly undressed until I was wearing just my panties, suspenders and stockings. How I wished I was the archetypal

dominatrix in a skin-tight, black PVC costume, thigh length PVC boots and a whip. After making Mark undress and lie on the floor, I lifted up my right foot, placed a shoe's smooth, leather sole on his hard, thick cock and gently rubbed it up and down his impressive shaft, lightly grinding the tip of the stiletto into his inflated, come-filled balls until he was writhing and groaning with pleasure. The more he begged me to stop, the more I pressed my foot into his cock.

Taking off the shoes, I teased and tormented Mark's cock with my perfect feet and deep arches.

Picking up a stiletto, I pulled aside my panties and slowly ran the long, thin, red patent leather heel up and down my tight pussy groove before inserting it inside my cunt, until I orgasmed with such venom that the entire shoe was marinated with my fragrant cunt juice. Removing the heel from my pussy, I stuck it into Mark's mouth and forced him to clean it with his tongue.

After slowly and sensuously peeling down my stockings and wrapping them around his cock while he masturbated, Mark made me kneel on all fours and thrust my arse out in the air for him. But, rather than fucking me doggie style – as I longed for – he kissed and licked each of my toes before lifting up my feet and pressing my deep arches together to form a small hole into which Mark pushed his cock.

After fucking my feet with a passion few guys have bestowed upon my cunt or arse, Mark exploded, showering his come all over the stilettos. As I licked the shoes clean, I thrust a couple of fingers knuckle-deep into my aching pussy and masturbated myself to a violent orgasm, with Mark rubbing his cock into my face for good measure Ever since, I have enjoyed regular foot and leg sex sessions with Mark. He's since confessed that the only reason he works in the shoe shop is so that he can wank over the stock and, now that he's met me, I have made his dreams come true by letting him fuck my feet and come on whatever heels I happen to be wearing. Myself, I quite like having a boss who is also my devoted sex slave. Perhaps you'd like to pop by one evening, Michelle, and let Mark anoint your feet with some of his special foot balm?

Mandy, Bristol

her screams urged John on. His come filled my pussy and brought my orgasm right out of me. Together, Lisa and I cleaned his cock with our tongues and then we switched places, Lisa riding his meat as I had my pussy eaten. It, was a sex session I will never forget and since then we have been enjoying regular threesomes every weekend.

There's nothing like the feel of a cock in my arse and a tongue up my cunt!

Sarah, Scotland

AMBER

We love seeing the girls playing with dildos during a photo shoot and we like it even more when they put on a show for us to film them whilst they're banging away with it inside them, but sometimes we wish they were a bit more considerate and didn't have to make us feel so inadequate when they bring along such huge ones! "So sorry, but sometimes you just need a thorough stuffing, like when you need to scratch an itch!" Amber tells us! We usually scratch an itch with the nail on our little finger, not with a bendy twelve inch dildo! "Each to your own, you use a little finger, I use something a bit bigger, I guess they both serve the same purpose, but my way is far more likely to getting my gushing with cum!"

Continued fome page 5

Dear Mayfair,

I love the way your magazine, each month, features sexy bodies, encased in tight, lacy basques or lovely, tarty fishnets and wicked, fuck me, patent stilettos. Which brings me to Yvonne and Gemma, two highly fuckable young teaching colleagues of mine, who I recently caught in the English department book cupboard, 'enjoying each other's company', one morning.

> "She gently pulled my dick to her cunt and rubbed my helmet

Yvonne is a mid-20s brunette, cute as hell, with beautiful breasts and an impossibly firm butt. Rumour had it that she was an insatiable little fuck-bunny, but I'd always brushed that off as jealous rambling.

Gemma, on the other hand, is a 21-year-old strawberry blonde, with high, perky tits, a sweet, tight arse and a dirty, cock-stiffening laugh. As I inched up to the crack in the door I caught a glimpse of Yvonne, her arms over her head, holding fast to the shelf above her, stretching her crisp, white blouse over her gorgeous breasts.

Gemma was on her knees in front of Yvonne, one hand holding her skirt up, over her hips, the other pulling her tight, white cotton panties aside as she licked lovingly at Yvonne's cunt. I became bolder and nudge the door open a little bit wider to get a better view.

It was then that Yvonne turned to me. She winked and drawled, "Don't just stand there, are you gonna help a girl out or what?"

I pulled the door shut behind me and approached her. Gemma sank back and began to slowly molest her puffy, pink cunt. In no time I unzipped and Yvonne cheekily reached back and released my rapidly stiffening cock. She gently pulled my dick to her cunt and rubbed my helmet against her juicy clit whilst I fondled her heavy tits through her tight silk blouse. As I plunged my cock deep inside her pussy I turned to face Gemma and was staggered to see her clamber up the shelf, offering her sopping cunt for me to eat.

> "I turned to face Gemma and was staggered to see her offering her cunt for me to eat."

"For fuck's sake, finish me off Jez!" Gemma squealed, her delicious juice squirting over my face as Yvonne gripped my cock with her spasming cunt muscles.

Dear Mayfair,

Thank you so much for your recent photo shoot of Charlie Rose. I could stare into her brown eyes all day long, especially if she was in the missionary position with me deep inside her! She's got such amazing breasts and her pussy is so nice and tidy, I could dine on it all night long. And then you went and put her in sexy underwear and stockings with a suspender belt. What are you trying to do to us poor guys, I've had a stiffy that I keep having to service ever since I picked up the magazine and saw her photos!

Blaise, Chiswick

Dear Blaise, firstly, I'd like to apologise for your hard cock (a man should never apologise for this), but it's kind of the point of the magazine, Charlie isn't getting naked for you to play with a floppy cock is she? Hopefully there will be a few more girls in this issue that get you standing to attention!

AMY GREEN

After taking a bit of time away from Mayfair and our sister magazines it seems now we just can't get rid of Amy. But who are we to complain, and judging by all of emails we've been receiving from you guys it seems the feeling is mutual, the more Amy the merrier! "I love being back in your magazines too, I really missed getting my kit off in front of a photographer, I just had to step aside for family reasons. But rest assured I'm not going to be going anywhere anytime soon!"

ELLA HUGHES

By our reckoning this is Ella Hughes' 30th appearance in a Paul Raymond magazine, yet she's only just making her long-awaited debut in Mayfair magazine! "I know, that's crazy isn't, and it's the one magazine that I have wanted to appear in the most. So, I popped on a set of my favourite lingerie and selected one of my clit pins from my vast collection, also one of my favourites. Sometimes I have to take it out when I'm getting a good fucking as it's so sensitive and makes me cum way too soon!" We have that same problem too!

ADELE TAYLOR

This issue of Mayfair goes on sale a Friday morning, and we can't think of a better day to kick of your weekend than with a dose of Adele Taylor. There's a reason she's one of the most viewed models on paulraymond.xxx. "I didn't know that,' Adele tells us with a big grin on her face. And that's exactly why we didn't tell you, we didn't want it going to your head. "Ah, on the subject of 'head' I had a great evening with my boyfriend last night, he can't get enough of my lips wrapped around his cock, and he's pretty damn good with his tongue and fingers too. We climaxed at the same time as we 69'rd each other!" Sounds like we missed out on something epic! "It was."

INGA

Classic MAYFAIR

When it comes to the subject of men, Inga Britt knows what she likes. 'A man's got to look like a man... he mustn't be feminine in any way,' she says with a quiet determination which is enough to put lesser males off. Not that these days Inga has all that much time for men, not now she's etched herself a highly successful modelling career. 'Oh go on,' she says. 'If I find a man who really takes fancy then I'll find time. There's only one stipulation... he's got to be manly, not necessarily all that good looking, just muscular, and preferably with a noticeable bulged in the front of his trousers. He-men types really turn me on. In fact, when I was younger I used to love going to the wrestling, just to watch those beefy guys in their bulging trunks throw each other round the ring. Course, I reckon it was all rigged but I didn't go to cheer anyone in particular...' she grins wickedly, flicks at her auburn hair, and gives herself away. Twenty-one-year-old Inga is a true jet-setter now, her 38-23-36 inches is rarely in one place longer than a month or two. 'I've been working so hard lately that I need a rest... a few weeks under the sun on

the beach in the Bahamas. I used to au pair for a rich American family there.... actually I was sort of a yacht keeper for him. It was fabulous, the best time of my life... I got an all-over sun-tan, too.' Her sizeable nipples swell with the English cold, unrestrained by brasserie. 'Oh that... I never wore a bra. I think a trace of nipple peeping through a top is quite provocative. I enjoy going bra-less. Don't you think it looks good?' M

CARLI

Firstly, we need to make an apology to Carli, you see the last time she was in the magazine we repeatedly kept calling her 'Carla'. And when she received her copy of the magazine she was far than pleased! "It's not the end of the World I suppose, but if a guy ever got my name wrong in the sack he'd be kicked out of bed instantly and out of my house with his tail, and a bruised set of balls, between his legs!" Ouch, once again, we're really, really sorry. "Ok, I forgive you, but don't do it again." Don't worry Carla, we won't.

MAYFAIR MOVIES

We might live and breathe for photos over here at Mayfair, but we can't ignore the art of moving pictures, they do date back to 1874 after all! Things have changed quite a bit since the good old days, and we like to keep you well informed.

THE ANAL AWAKENING - EVIL ANGEL

The married pervs at LeWood present an emerging starlet in her first showcase video. 'Emily Willis: The Anal Awakening' captures the leading lady's lust for sodomy in diverse scenes. Kinky fantasies spotlight adorable Emily in taboo relations scenarios, manhandling anal action, a lewd, girl-girl tryst and a tumultuous threesome with co-directors Francesca Le and Mark Wood. Emily gives a revealing introductory interview and performs a luscious, poolside tease. When stepfather Mark catches the carefree cutie smoking a cigarette, he confronts her for her bad behavior. The sneaky slut seduces Mark, whose thick prick pummels Emily's asshole. The darling doll drools through a nasty, ass-to-mouth blowjob. Superstud Ramon Nomar treats the bubbly babe to bawdy backdoor reaming. Emily gags through a ferocious face fuck and swallows Ramon's thick, creamy sperm. In sexy schoolgirl attire, Emily and petite blonde Kenzie Reeves share a wild lesbian date. Emily's machine-operated dildo drills Kenzie's sphincter until Kenzie's cunt sprays fountains of girl squirt! Fed up with Emily's rebellious ways, hung Mark and MILF Francesca subject her to a disciplinary derriere drilling. Three-way action features rude rectal gaping, a cum facial, and a sperm-swapping climax."

ALEXIS

Juicy arses don't come much more appealing than Alexis Texas', and when you slap some baby over her derriere it's the stuff from wet dreams. But is she all show and now play when it comes to rear end action? "Oh no, I'm open all-access when I'm bent over with my arse wiggling around in the air. I've not always been a lover of anal sex until a chat with one of my girlfriends, Sally-Anne, over a couple of bottles of wine. Being a bit tipsy I brought the subject up and confessed that I was an anal virgin, Id always been teriffied how much it would hurt. Anyway, another bottle of wine later and Sally-Anne just blurted out if I'd to a go. After the shock faded I asked her what she meant. Sally-Anne disappeared off and came back with a box full or dildos, butt plugs and lots of lube. We spent hours playing with them, going up in size a bit at a time. I was amazed at how big some of them I could stick inside my arse, but even more shocked at the intensity of the orgasms. Long story short, it's now my favourite thing!" Yes that was a long story!

Quest.....

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we – and here they are!

E-MAIL CONTACT@PAULRAYMONDMEDIA.COM

The first thing I noticed about my girlfriend, Wendy, was her tits. In fact, they drove me absolutely crazy. Wendy is a brunette with an hourglass figure. You hear a lot of people say this about their birds, but seriously, she really is total sex on legs and knows how to make the absolute best of her body.

I met Wendy one night at my local. She was so stunningly sexy and playful that I immediately hit on her and bought her a drink. Wendy was loving all the attention, and, as she's not a shy girl, she gave me

all the right signals, if you know what I mean. Sitting beside me, she wriggled around on her perfect arse, crossing and uncrossing her legs. I can tell you she certainly had my attention, and when she started hitching up her bra-straps, under her tightly fitting top, trying in vain to rearrange her bra, I really had to fight not to stare.

She was fighting a losing battle with those boobs of hers, though. Frankly, it just seemed impossible that a little piece of lace and cloth could hold in two such huge, incredible breasts! Eventually I realised my mouth was open, and that I was staring at them again, and in fact I had to shift my position to hide my growing and increasingly obvious erection. I almost spunked in my boxers when she agreed to come back to my flat with me.

Once we were through the front door Wendy was all over me. I was startled. She was obviously as hot for me as I was for her.

We kissed but there was no tenderness in it. She grasped and groped my package then held it tightly through my Jeans.

I, in turn, almost slammed her against the wall as I pushed my tongue forcefully between her lips. My cock throbbed in her grip as I felt her big boobs pressing hard against my chest. I couldn't believe how hot this bird was. As I pushed up her top and reached around to unfasten her bra, she began undoing my belt and the zip on my jeans.

I pulled back from her and stripped off. I didn't even bother to remove my socks. I was fucking hot for her, and when she pulled her top over her head and jiggled her twin peaks I thought I had died and gone to heaven. She shook her wobbling wonders free, making the soft flesh jiggle and bounce, before tweaking her large pink nipples.

The naughty little tease was making the most of her best assets to get me going.

I bent my head and started licking her nipples, giving each one the attention it deserved. I knew I was hitting all the right spots when she began to beg me to suck harder.

Wendy began to pant, her eyes closing in concentration as she wriggled from her jeans and panties and began to rub her pussy. With her fingers stuffed deep in her fanny she

> "My jizz started erupting, my pelvis bucking as my helmet spattered her heaving chest."

got to her knees, and with a saucy smile she licked her lips, wetting them with her tongue as she looked intently at my crotch.

Wendy took my cock in her hand and began to stroke and squeeze it. It was my turn to moan as she bent forward, kissing and blowing gently over my cock-head. At the same time she reached around me and grabbed my buttocks.

Parting her lips, she flicked her tongue across my cockhead, making me moan louder at the fabulous sensations she was creating with her tongue.

Grasping my shaft in one hand, Wendy turned her attention to my ball-sac; lapping gently and making my nads tighten as she curled her velvety tongue around this sensitive area.

Since that night I've often told Wendy that she can gobble cock better than any porn star, and she grinned at me mischievously before returning her soft, wet lips to my helmet and shaft. Then, with a single movement, she sucked my entire cock inside her mouth. A moment later she started bobbing on the shaft, her lip gloss leaving traces on the wet, stretched skin.

After a few seconds of this, she took my prick ultra-deep, at the same time cradling my nuts in the palm of one hand.

From time to time she glanced up at me, fluttering her lashes, her eyes sparkling, all of which was so unspeakably erotic that I had a hell of a job to not just blow my load in her mouth then and there.

Wendy obviously felt my balls tightening in her palm at the same time I did, because she suddenly withdrew my cock from her mouth, took her hand from my sac and repositioned herself, and me, for a tit-fuck. She'd obviously taken the hint from the fact that I couldn't stop staring at them.

Pushing her boobs together with her hands, Wendy encouraged me to position my cock between them. Grasping the shaft in a fist, she slid it between her jugs and started easing my rod forwards and backwards between them. Every second time my knob reappeared from her cleavage, Wendy flicked my cockhead lightly with her tongue. I gasped in excitement each time, trying like mad to keep my spunk from jetting.

Wendy smirked and said there was no need to stop myself cumming.

"Just as well," I groaned, feeling my junk flooding up my prick despite my best efforts. Then my spuzz started erupting, my pelvis bucking as my helmet splattered her heaving chest with my seed.

My shaft was jerking like mad, and two of my spurts caught Wendy on her cheeks and eyebrows. "Fuck me," I gasped. "I can usually hold back far longer than that." She chuckled at the compliment.

"You won't be able to with me," she said huskily, lowering her face to my helmet and sucking my twitching cock until it was entirely milked.

Eager to give her even a taste of the incredible pleasure and release she had given to me, I went down on my elbows and knees, pushed her gently back on the carpet, spread her legs and ate her out, paying particular attention to her

> "Abby lowered her pussy onto Mark's cum-coated prick while I wanked her clit and ground my sodden twat onto Mark's eager mouth."

clit while I pushed first one, then two, fingers between her puffy, wet lips. Wendy was writhing and grunting softly, making occasional little cries of excitement, and it only took a few thrusts of my two fingers inside her pussy to bring her to a loud, grateful orgasm.

Jim, Bridlington MF

Mayfair just gets better and better, and I love all the filthy letters from horny blokes and babes describing all the dirty things they've been up to.

As a fairly good looking girl of 19 at University, you can probably guess that I get my fair share of cock, and it's only since coming here that I've discovered I quite like pussy as well.

My best mate Abby is a real flirt, and we always go to the student parties together and inevitably end up fucking the night away with a couple of lads who can't believe their luck at pulling such 'up for it' birds.

About a month ago, we'd got all dolled up for a 'do' on campus, with Abby in a tiny black skirt, high heels and a clingy top, while I'd decided to try out my kinky black leather skirt and waistcoat finished off with a pair of cowboy boots.

We both got nice and pissed as the evening progressed and danced with lots of fellas, letting them grind their stiff crotches against us and groping any bits of us that they fancied. I realise that makes us sound like a right couple of sluts, but if I'm looking for a nice hard cock in my cunt then there is no point playing hard to get!

After a few long snogs and a feel of his big dick through his jeans, I had chosen Mark for that night's shag.

I could see Abby was still playing the field, so I headed back to my digs with Mark as I needed to get my pussy filled as soon as possible.

He was all over me in the cab and got his hand up my leather skirt and a finger in my already wet twat as we kissed in full view of the driver. I could see him watching us in his rear view mirror, which really turned me on so I put on a show for him by opening my legs

and letting him see my fanny being fingered.

As soon as we got inside the flat, I unzipped Mark's trousers and dragged out his prick. Jeez, he was huge, and as it grew to full stiffness I looked at the ten inch monster and licked my lips in anticipation.

As Mark flicked the poppers on my waistcoat and began to fiddle with my pert tits, I rubbed his meat, pressing it against my bare thigh and then In between my legs so I could feel that bulbous knob at the entrance to my slit. He stuffed his tongue in my mouth and squashed me against the wall, the tip of his dick actually spreading my pussy lips as his massive shaft threatened to impale me where we stood. Pulling away, I dragged him to the bedroom and pushed him onto the bed, admiring the length and thickness of his tool. And I'd just got the knob in my mouth, and was slurping my tongue all over the hard flesh, when I heard Abby come into the flat. I hadn't even bothered to close the bedroom door, but I didn't care as all my attention was focused on the dick in my mouth.

To be honest, I wasn't that surprised when Abby's face appeared next to mine and her tongue snaked out of her mouth towards Mark's cock. I was surprised, though, when I felt her finger enter my sodden cunt and start to wriggle inside me. It felt fantastic, and I stuffed more of the cock on offer into my mouth. Abby and I shared it, taking turns to suck as I reached up her skirt and slid my own finger in her wet fanny so we were both getting fingered.

Abby was the first to move and clambered up onto Mark, sitting on his face and facing me. I kissed his meat and then Abby as she writhed onto his probing tongue before getting on top of him too, and lowering my gaping hole onto the giant head of his shaft. Amazingly, it slipped straight in and the feeling of being stretched wide open by that rod made me cum almost immediately.

Abby sucked on one of my tits as I came and I played with hers as they jiggled beneath her. Mark obviously knew what he was doing, as Abby shuddered to orgasm while I carefully rode the monstrous dick jammed in my hole. We swapped places and Abby lowered her pussy onto Mark's cum-coated prick while I wanked her clit and ground my sodden twat onto Mark's eager mouth.

By the muffled sound of Mark's breathing we both knew he wasn't going to last and, having the same idea, we lay side by side on the bed, making it obvious we wanted his load in our mouths.

Mark obliged and wanked his glistening member over our upturned faces, before grunting loudly and firing a huge dollop of sperm into my mouth. The next jet splattered Abby's cheek and I lapped it up as spunk squirted over us until we were kissing with mouthfuls of sticky thick cum, which oozed out of our mouths and dribbled down our cheeks.

Mark relaxed for a while, watching us swap his cum from mouth to mouth, finger each other's holes and work on each other's tits, wanking his semi-stiff dick back to full erection so he could fuck us some more. And by the end of the night we'd both taken a full load and he still had enough ammunition to provide us with a healthy breakfast of spunk.

Since then, Mark has joined us for a good few evenings of fun, and if he's not around Abby and I have discovered other ways to keep each other entertained!

Charlotte, Preston MF

It's over a year now since I broke up with my long-term lesbian lover and moved in with my boyfriend, Jake. I have a lot of great memories from back then, but my life has moved on. Time has shown I made the right decision to break up with Sara, and Jake and I are very happy together.

Even so, not long ago I was browsing in a music megastore when I caught a glimpse of a familiar face. I blushed as I made eye contact with Sara, my former girly lover.

I was startled. The city where I live is one of the biggest, and you don't often bump into people you know. My body tensed and I was unable to look away, momentarily overwhelmed by memories of our past together. Finally I got a grip, and, shaking my head, moved away. When I looked back, Sara was gone and I took the two DVDs I'd chosen to the check-out. I sighed in relief.

All the same, thrilling memories of Sara's soft warm flesh flooded back, charged by time with renewed erotic excitement, not to mention a great well of emotion, and I even found myself momentarily regretting having sacrificed our relationship for my new life with Jake. I felt terribly upset as I left the store, and once outside I leaned against the wall, struggling to compose myself. Then, with a start, I felt a hand touch mine and when I saw it was Sara my heart thumped.

Sara smiled. "I was good to you," she said, trailing a finger down my cheek and moving her face close to mine. "And I can be good to you again."

"No," I said. But I could barely force the words out.

"You still think about me and you still want me, don't you?" she asked. It wasn't a question. Sara could just tell that I did.

Confused by the way my body was betraying me by trembling, I tried to push her away. But she totally ignored my pleas and pressed herself against me, making my body quiver with need as she grabbed my bum and drew me hard against her.

"You're such a bad girl to have run away like you did," she sniggered, as her fingers gripped my arse-cheek through my clothing. A weak nod of my head was all I managed before Sara pinned me hard against the back wall of the quiet alleyway next to us and began to kiss me.

Meanwhile her hands moved up my body, sending my nerve-endings into overdrive as she plucked at my nipples through my top and drove her knee between my legs. I wanted her badly, and when she hissed that she intended to take me back to her flat, I just nodded meekly, knowing that, as was nearly always the case when we lived

together, I would follow her lead.

Once inside Sara's flat we went straight to the bedroom, undressing as we went. Both of us lost no time in reacquainting ourselves with each curve and contour of the other's body. Once on the bed, I put her hand on one of my creamy white tits and covered one of hers with my own, kneading the soft tissue and smiling as her nipples stiffened. Her body seemed to melt at my touch, and she collapsed back onto the covers with her legs splayed wide.

I crawled between them, lowering my face to her moist pink pussy-lips. I ran my tongue along the slick pink folds, savouring her juices. I had forgotten how wonderful she tasted. Sara squirmed as I stimulated her with my tongue, teasing her until she moaned softly and begged me to make her cum.

With a smile I moved in on her clitoris, gently pulling back its protective hood and grazing her super-sensitive love button with my teeth. Her back arched and her hips bucked as I sucked hard on it and flicked the nub with my tongue.

Very gently I slid a teasing finger inside her pussy, feeling around for her special spot. I knew the moment I hit it because her hips jumped on the bed and she gasped, sobbing for me to keep going, pleading for me not to stop. Pressing my finger hard against her G-spot, I used another finger to stimulate her clit, keeping her on the edge of orgasm as I watched her juices trickle.

Then her legs trembled and she surrendered entirely, her pussy contorting inside as her climax made her shudder her from head to heels. Delighted that I was still

With a smile I moved in on her clitoris, gently pulling back it's protective head and grazing her super-sensitive love button with my teeth."

able to illicit such a response, I repositioned myself and held her in my arms, enjoying the soft feel of her curvy and gorgeously feminine form against mine. Finally, Sara recovered, and, holding my face with both her hands, she gave me the deepest French kiss I have ever had. I realised then how much I had missed her soft touch and the passion of our love-making.

My fingers stroked her breasts, and I palmed them, tweaking her teats until they became erect again. Then, suckling her lovely nips, I buried my face in her tits as my hand reached down towards her soaking fanny.

Sara slithered out of my grasp and wriggled down the bed, burying her face in my pussy. I gasped as she curled her tongue around the underside of my clit, making my pussy tingle and moisten. My slit erupted as jolts of pleasure exploded inside me and I whimpered and writhed as Sara continued her sweet assault.

My body stiffened and my back arched with the intensity of my orgasm and I found myself ejaculating tiny squirts of my juices onto her lips.

I continued to cum, purring with pleasure as I rode out this magnificent high. Sara lapped gently at my pussy, bringing me back to earth slowly as I lay motionless, totally surrendering to her.

As I left I told her I wouldn't see her again, but I did tell her I was grateful for the chance we'd had to say a final, suitably intimate goodbye. And that night when Jake and I were making love I confessed to him about my indiscretion.

Whether he believed me or thought it was a fantasy I'll never know, but he seemed to like it, and now every time I mention it in bed he fucks me harder and more passionately than usual.

AVA

We do like to shoot the classic looking Mayfair photo sets every once in a while and when we booked up Ava DeLush we knew exactly what we were going to do with her. Naturally we wanted to do 'something' else so we went with original classic look and feel as originally. "I wouldn't have minded doing both if you'd been brave enough to ask me, I bet you're feeling rather silly now because I was in a hornier mood than usual that day!" Now that we know the complete lack of boundaries when it comes to you on photo shoots, when are you next available. "Not for a few months guys, sorry." We can wait. "It will be worth it!"
